The Good Practice Guideline

The club follows the Good Practice Guidelines (Safeguarding - Protecting Children and Adults at Risk Policy and Implementation Procedures Version pp.19-20) as developed and provided by the BTC and T.A.G.B. with respect to the safeguarding of children and adults at risk.

Guidance on photography

Appendix L (Safeguarding - Protecting Children and Adults at Risk Policy and Implementation Procedures Version 4 pp.53-55, www.tkdcouncil.com/downloads) concerns the use of photographic/filming equipment.

Photography and video recording in the changing and rest areas is strictly forbidden. Photography and video recording of medical interventions is strictly forbidden.

Section 3 of the club's Consent Form covers the club's photographic and video policy.
